

# contact details for self-help directory...

Groundswell are creating a new on-line directory of homeless-led self-help projects and service user groups. We want you to be involved! This new resource will enable homeless people to find inspiring examples of self-help solutions, make new contacts, share experiences and learn new skills.

If you are a self-help / grassroots project which would like to go on our on-line directory please state

YES  or NO

- if you've answered YES , we will publish your details. But if however you have some details you would like to keep private, (e.g. mobile number or personal email ) just tick the boxes of the parts you would like to keep private and they will only be for our office use only.
- if you've answered No we assure you these details are for our own use and will not go on the website

these details I would like to keep private
